Wednesday, Sept 9 – Day 5	
Thursday, Sept 10 – Day 6	
Friday, Sept 11 – Day 1	
Saturday, Sept 12	9:00am – Conference Manager opens to book Parent-Teacher Conferences

Student Drop-Off

Please choose safety over convenience. Respect the Hug-and-Go area by not parking inside of it. The Hug-and-Go area is for quick drop-off only. With all students present at school starting on Sept 8th, parking will be much more congested than during Staggered Entry week. Please respect and be mindful of speed and crosswalks during drop-off and pick-up.

Snack & Lunch

This school year, students will be instructed to take all of their garbage and wrappers back home with them in their lunch bags. Students are no longer eating in the gym. Recycling and composting will not be available at this time. Parents will also be able to see what food is not being eaten each day.

Bus Passes

CCSD will not be able to reimburse Transit Pass purchases for eligible students if students purchase tickets electronically via Calgary Transit's "My Fare" App. Students who wish to apply for the district's monthly Transit Pass Rebate must purchase monthly youth transit passes at convenience stores only, as you did last year. Please refrain from using Calgary Transit's new "MyFare" app until further notice. CCSD will be working with Calgary Transit later in the year to see whether we will be able to accept MyFare purchases and provide rebates for purchases made using this new electronic method.

Class Lists

Class lists and homeroom teachers will not be finalized until mid-September due to the fact that a number of students will be doing online learning at St. Isidore this school year. This fluctuation will cause changes to staffing, class lists, and homeroom teachers. Teachers will call parents in mid-September to confirm who the homeroom teacher will be. We thank you for your patience and understanding.

Bring Your Own Device

We highly recommend that students bring their own device to school (ie Chromebook or laptop), rather than use school Chromebooks. Students having their own device will eliminate the need to sanitize school Chromebooks in between each class. If a family is unable to provide technology for their child, we can sign-out a Chromebook in the interim. Students would need to charge their device at home in the evening.

Reminders and Announcements

Please make sure you do the [covid 19 alberta health daily checklist](#) with your child before coming to school. If you have symptoms, please stay home and contact AHS.

Parent-Teacher Conferences

Parent Teacher Conferences will be on Wednesday, September 16 from 4:30-7:30 and Thursday, September 17 from 9:00-11:30 & 1:00-3:00. Conferences will be virtual or by phone. Parents can book a time through the Conference Manager system which will open on Saturday, September 12 at 9:00am.
